**FORM N°X044**

**Version : 1**

**Directive 2014/68/EU**

Adopted by WGP : 15/03/2016

Adopted by CLAP : 15/03/2016

Directive References: Article 1 § 2 (e)

Article 1 § 2 (s)

**Subject:** Scope – Engine powered fork lift truck

**Question:** Is a liquefied petroleum gas (LPG) or compressed natural gas (CNG) vessel (tank) permanently installed in an engine powered fork lift truck in the scope of the PED?

**Answer:** Yes, such an LPG or CNG vessel is in the scope of the PED and must be assessed according to its maximum allowable pressure and volume.

Reason: An engine powered fork lift truck is not a motor vehicle in the sense of Directive 2007/46/EC, so the exclusion of the Article 1 paragraph 2 (e) does not apply.

Note 1: Transportable gas cylinders which can also be used for fork lifts trucks are in the scope of ADR and as such are excluded from the PED, due to Article 1 paragraph 2 (s).

Note 2: The same applies to similar machinery not covered by Directive 2007/46/EC.
