

# CLAP

FORM N°X261

Version : 1

Directive 2014/68/EU

Adopted by CLAP : 10/03/2021

Directive References: Article 2

**Subject:** Scope - Limits of the vessel

**Question:** What is the meaning of the term "directly attached" in the definition of "vessel" in Article 2 of the PED?

**Answer:** The parts directly attached to the casing are the parts which are not components contributing to the pressure resistance (CCPR) and which are fixed to the CCPR by a permanent assembly (welding, gluing, crimping, ...).
