Directive 87/404/EEC

Directive references:

Article 1

Adopted by WPG: November 1993

Adopted by CLAP: November 1993

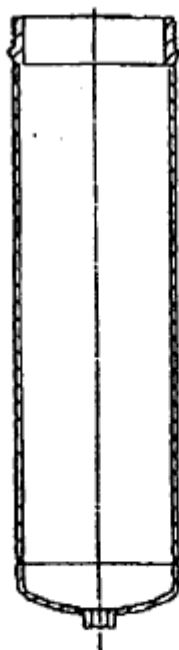

Subject: Open-ended vessels

Question: Does an open-ended vessel (see drawing for an example) fall within the scope (Article 1) of Directive 87/404/EEC?

Answer: An open-ended vessel does not fall within the scope of the Directive.

Reasons

The Directive states in Article 1 that a vessel must have two ends.
